

The Wonders of Mother's Milk

Have you ever had to explain why you chose to breastfeed?
Have you ever needed to explain breastfeeding to a child?

The Wonders of Mother's Milk will educate, entertain and intrigue its readers with its rhythmic poetic text and colorfully diverse illustrations. This book will offer an excellent opportunity to introduce and reinforce the natural concept of breastfeeding.

About the Author

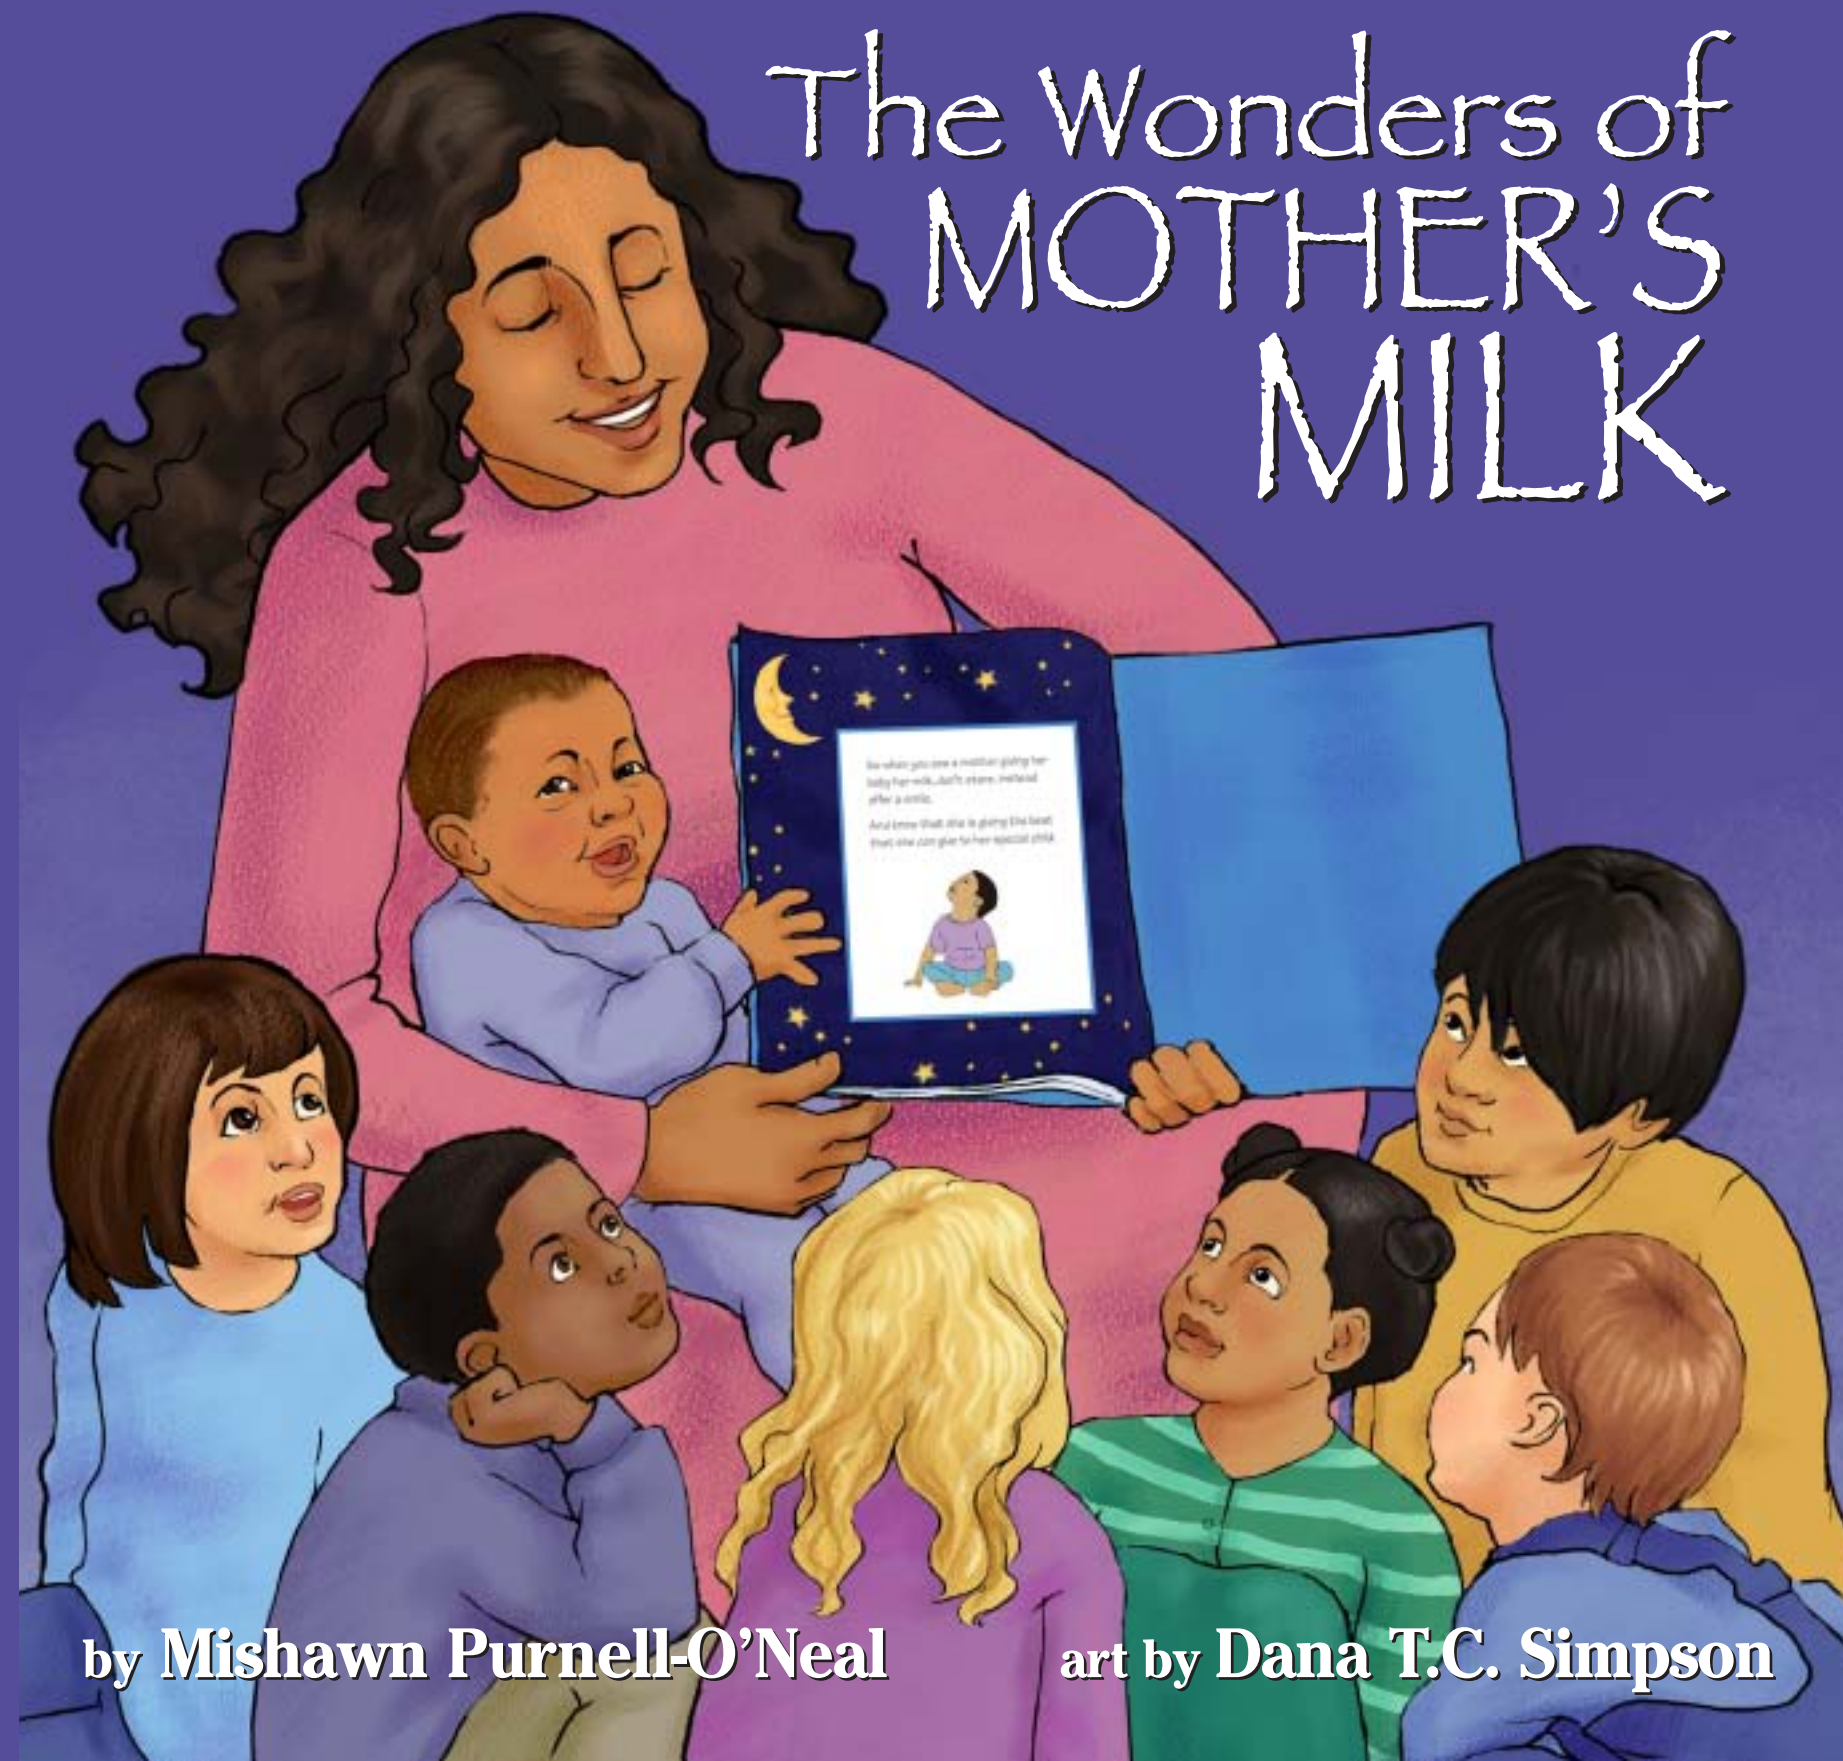

Mishawn Purnell-O'Neal is the author of *Mother's Milk of Love Baby Keepsake Journal*, and *Breastfeeding Facts Over Fiction, Health Implications on the African American Community*. *The Wonders of Mother's Milk* is her first children's book. Mishawn lives with her husband and two sons in Illinois.

About the Illustrator

Dana T.C. Simpson is an illustration and graphic design student at Columbia College in Chicago. She lives with her parents and brother in Oak Park, Illinois.

The Wonders of MOTHER'S MILK

by **Mishawn Purnell-O'Neal**

art by **Dana T.C. Simpson**

A mother who gives her baby her milk
does so with love and a smile.
Because she knows that she is providing the
healthiest start to her growing child.

Mother's milk is unique.
It provides food and health protection.
From within each and every drop
good things come bursting from all directions.
